MURO URBANO

DECORATIVE EVOLUTION

MURO URBANO

A new concept in **exterior coatings**.

Walls that come to life, full of energy that communicate a personality and a renewed vitality. A trendy urban look that recalls the past and the traditional building materials.

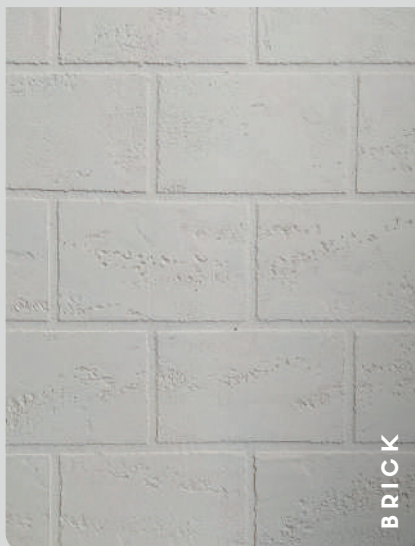

MURO URBANO

MURO URBANO is **decorative** acrylic-siloxane coating for the protection of exterior walls and thermal insulation systems (EIFS) with CE-marking.

Water-resistant, weatherproof and with excellent flexibility, thanks to its workability, it is the ideal product for the creation of decorative effects, textures and concrete effects, both in renovation and on new buildings with a minimalist and urban style.
